

Paychex Promise®

Paychex Promise® provides the ultimate peace of mind for your business owners with payroll protection. Payroll protection provides the flexibility to extend the collection of payroll funds from your business owner's bank account by up to seven days without interruption of services or insufficient fund charges. The protection helps your business owners better manage their cash-flow and withstand any temporary cash-flow issues.

Increase Company Value

A creditworthy business has a powerful advantage in financing ability and makes the company attractive to potential buyers or investors.

Protect Personal Credit

You'll be able to prevent co-mingling of personal credit, personal debt, and personal assets with the company.

Additional Business Protection¹

No-Cost Same Day Payroll — Process up to two same day ACH requests each subscription year at no cost.

Business Credit Service — We'll send payment history to the credit bureaus with the goal of building the business credit file and improving the ability to secure attractive financing terms. In addition, your business owners will receive special, discounted rates from Experian™ when accessing their business credit reports.

Payroll Fraud Hotline — Access to a dedicated payroll fraud hotline to answer questions and assist with resolutions if an event occurs.

Regulatory Newsletter — Monthly compliance information and regulatory news to stay informed on the key issues impacting the business and workforce.

Paychex offers payroll solutions to fit the needs of any size business, with features that make it efficient to manage all aspects of the payroll process. Contact your Paychex Rep to learn more today.

¹ Paychex Promise will be offered free of charge to business owners for the first three months of service, and thereafter will be offered as a complete suite of services for a fixed, all-inclusive fee. Program and/or any of the services offered as part of Program are subject to eligibility and are void where restricted by law.
