Your Hotel & Oasis: A Winning Team

Are you ready to create a world where people are the most important part of your hotel? Oasis, a Paychex® Company, offers integrated human resource (HR) solutions to provide a personalized experience for engaged, productive, and diverse workforces.

Better HR Delivers Better Business Results

Oasis® services can help you to:

- **Outsource HR functions.** Gain expertise along with updates, changes, and best practices to help you navigate complex employment laws and regulations, develop your HR strategy, and avoid costly compliance mistakes.
- **Administer employee benefits.** Attract and retain the best employees with a competitive employee benefits package that will rival *Fortune* 500 companies, supported by seamless benefits enrollment and administration.
- **Process payroll.** Streamline payroll processing and many of the associated administrative activities to help ensure employees are paid on time and accurately.
- **Manage risk.** To help keep you compliant with the regulations in your industry, we will evaluate your business's unique needs and recommend an action plan to help minimize those risks and keep employees safe.

What Makes Oasis Different?

- **Service-obsessed HR expertise.** Get personalized client service with a two-point Service Model that includes an HR Professional and a Payroll Specialist who both know your business and can provide guidance, as well as access to other specialized subject matter experts.
- **Integrated HR outsourcing services.** We can help to support your HR administration needs throughout the entire employee life cycle and deliver the services that employees expect to be able to perform at their best.
- **Backed by the power of Paychex®.** The national power of Paychex® supports our local presence throughout the United States. We are one of the most robust Professional Employer Organizations (PEO) in the industry.
- **The technology you deserve.** Our industry-leading, cloud-based technology will allow you to have greater agility by simplifying complex HR administration functions, freeing up time and resources, and creating more efficient processes.
