Instantly Find Top Talent

Business clients can revolutionize their HR strategy with our cutting-edge AI-assisted recruiting tool, Paychex Recruiting Copilot, in partnership with Findem

- Proactively contact best-matched individuals
- Create an “Always on” active recruiting process
- Keep a shortlist of active talent readily available
- Secure talent with our easy-to-use AI recruiting solution

Flip the Script on Finding Talent

Secure Top Talent Quickly - Skip posting jobs. Gain access to a pool of millions of up-to-date profiles and move straight to contacting potential candidates that best match business needs.

Simplify Recruiting - Save weeks to months searching for the right talent. Proactively review and connect with potential candidates on a shortlist of matches.

Save on Hiring Costs - Save time and money by eliminating inefficiencies and redundancies of traditional recruiting.

Keep Talent Engaged - Outreach tools help employers proactively contact potential candidates to start the interview process.

Search Dynamic 3D Profiles - Business clients can find the right talent with dynamic 3D profiles that narrow in on the skills, experience, location, and qualities that matter most to them.

Take the Next Step. Your business clients can find qualified talent quickly, easily, and more affordably. Find more details about plan options at :
